## THE PUTRID

Our system riles  
This vile system screws  
Rapes and defiles  
Befouls and infects  
With erotically transmitted maladies  
Burgles and smuggles like scamp

Our pong system sucks  
A crappy structure cankered with scum  
Barren to detect no cum  
A living carcass gradually decomposing  
Going obsolete into abyss of oblivion  
With maimed justice oozing pus  
A corrupt fascist vitiated in buggery  
Piddling depraved scuttlebutt

Our gimpy system a ruin  
Debased to shambles by famished wolves  
With squalid charismatic paws  
Scatters the fruits of our sweat  
Squealing it down their cesspool savages  
Whose frozen yet rotten hearts  
Are corroded with black soot of putrid

Their minds fizzled

Our shitty system a ruin  
Exudating venom into lousy blood  
Flowing in jigger invested vessels  
Our current system reeks like hell  
Contaminating the entire society  
Crawling and creeping towards purity.
