Introduction

The Broken Silence of Love is a romantic book that talks about and exposes all the situations, feelings, and conditions that one undergoes when in a relationship. These are as follows:

a) Crushing feelings

One can fall for another person and try to keep the feelings they have secret until love exerts its pressure on them to confess their feelings. And in this situation, the long-held silence of love becomes apparent.

b) Being in well-deserved relationship.

Sometimes we always get accommodated in relationships that don't value and prioritize us, but when we get lucky to be in happy relationships, we become more excited and the bonds that keep the beauty and high-esteem of our lovers untold become broken. All the best things—the awesome moments we spend with our lovers—become recognized and appreciated.

c) Broken heart

Relationships aren't all about happiness, but sometimes we experience heartbreak. People endure heartbreak because they don't want to lose their loved ones, but if one's heart is consistently being broken, the silence of love within them gets broken too. So "The Broken Silence of Love" exposes the broken heart's grievances and regrets.

d) One's dignity

In love, people can treat other people like trash or make them feel useless and still act like they want them. This book brings to light the unbroken silence of love we have for ourselves, broken when we finally realize how important we are. It tells us that we're all beautiful and no one is entitled to disrespect us, just that we love them. As God created everyone

and has plans for them of who to be with and when, the fact remains, we're all beautiful.

Appreciation

First and foremost, I would like to express my sincere gratitude and excitement to the most superior being who has been standing beside me since, now and forever without abandoning me. In your absence, almighty God, I'm useless and valueless. Your presence makes me who I am. All you made me to be has always humbled me, and on my lips is praise and appreciation. Thanks for being my best friend, and I'm sure with you I will do more than this. Thanks once again for never daring to leave my back, though I keep on sinning.

I won't forget the strong-hearted parents; Dad Ayiei Manyok and my lovely three mothers, Adau Ajang Duot, Gop Mach Abijok and Areng Deng Akoi, whom one can choose without hesitation to be his or her parents. I'm so proud of you. You made sure that my school fees were paid on time, and I never missed a single meal, though our background is humble. You have given birth to the best son, who'll one day make you happy and proud. Thank you for treating and caring for me as if I were fragile glass.

To my siblings, I'm blessed to have had been created as your brother and I'm humbly requesting the almighty God to keep us healthy and alive to enjoy the beauty of well raised and taught siblings by their parents.

I won't forget to thank few of my best teachers who had and are still teaching me. Ustaz Ayuen Majok Aleer and Malual Abot Ayuel, without the commitment you both had invested in me in both primary and secondary schools, English would have been strange to me by now and you deserve to be appreciated for that though I didn't make it to the expectation. I still remember what you told me in 2018, "Be self-driven," I won't forget that phrase Sir. Head Teacher, Greenbelt Academy Bol Abraham Achiek, I wish the world had more people like you. You're a mentor and an inspiration that South Sudan will ever have. Your advice in 2019 in senior one after we watched a film of a Ten years old Kenyan girl who wrote some books in your laptop inspired me to try my best and discovered what is in me.

Finally, “behind every successful man there is a woman.” Athou Khot Jongkuch, I wish your heart should also be distributed to everyone by UN, I wish your heart was a school, I would pursue it till and earn it's highest degree. Your clean heart and pieces of advice contributed to the success of this book. You also sponsored the publication of my it, may God always protect you and I promise that the trust you invest in me will never be in vain. Thanks once again Maggieda.

Dedication

The Broken Silence Of Love is dedicated to my Facebook friends and schoolmates who have believed in me and helped me to believe and realize that I can do this.

Writing had never been my hobby nor one of my favorites, but in 2019, during the holidays, I was bored and always on Facebook, seeing many writers doing great, and those people influenced me to try my best.

I tried everything I could till I returned to school and was given a long-range holiday due to the Corona outbreak. I resumed writing until I was nearly perfect, and every minute I received messages from Facebook friends, strangers, and close friends encouraging me to write a book.

From 2021 to 2022, I posted some stories and poems on my school's notice board, and some of my schoolmates kept on requesting me to write a book, and here we have finally made it.

I know it might not be what you were expecting, but my sincere appreciation goes to each and every personal who has ever told me to write a book. "A journey of a thousand miles begins with a single step". With the determination in us, we will do more than this. Thanks, my people, and enjoy the reading.

Dear bestie

I call you my bestie
Beautiful and attractive "tie"
My neck won't let you retire
One whose chat doesn't make me tired

Your words make me blush
And almost do I become blast
I without you is a trash
I won't let the ride crash

My bezzy
Whose voice is buzzy
And doesn't act dizzy,
That's her, I'm not fuzzy

Love has become illegible
Because it's friable
And friendship is marvel
Great our memories are effable
Inshallah we shall be stable

All your primitives are exquisite

Nor shall we have an opposite

Apparently, we're apposite

I and you are the best composite.

Dear Crush

Thou I die and you didn't accept my proposal,

I will go and spend three days and later resurrect like Jesus to come and accomplish our love story.

Crush die, I promise if you accept me,

I will never betray you like Judas Iscariot.

If I marry you, we shall remain like Abraham and Sarah no matter what,

I will never marry more wives like King Solomon.

Even if any woman removes her clothes on my face,

I will tear my heart and reject her like Joseph (Son of Jacob).

My love for you will never die on the way like Moses,

But must reach the promise land like Aaron.

I have studied and observed you better and I have found out that you will never take us into any problem like what Eve did to Adam.

If they want to take me to heaven alive like Elijah,

I will refuse and spend more years on Earth like Noah till you accept me.

Even if any other man impregnates you like Mary (Mother of Jesus),
I will still love you with that kid and marry you as Joseph (Father of
Jesus) did.

I know you will one day betray me like Delilah,
But never mind because I have a forgiving heart like Samson.

If you fully reject my love for you,
I will hate women and stay single for the rest of my life like Paul.

Thou you order your boyfriends to stone me to death,
I will still ask God to forgive you and them like Stephen.

If anyone else marries you, I will try my best to kill him like what David
did to Uriah and inherit you as my wife.

If they throw me into the fire to prove my love for you,
I swear I will come out like Shadrach, Meshach and Abednego.

Secret crush

It took me a second to crush on you,
When we first met,
Which made a record in my crushing history,
My whole body became exhausted,
My cheeks and feet started shivering
Owning you was that day imagination

It's like my eyes got sealed on you,
You dominated my nights dreams,
If not because of love,
Would have sued you for abusing my mind.
Though I'm single,
I feel like dumping my ex's again to own you.
It's a secret crush,
Confused on how to tell you

Wish you could accept my proposal,
My heart just needs you,
You're valuable,
You're so precious,
You're my fuel,
I without you is incomplete.

I'm Crushing on you.

You control my attentions and intentions

I didn't propose but you must be mine

Downloading your pics from your timeline became my routine

I don't know how to express my feelings

I'm a liability without you

Being with you qualifies me as an asset

You're something I never

expected in my entire life

But by God's grace, I will get

you as a person who could

never be replaced
